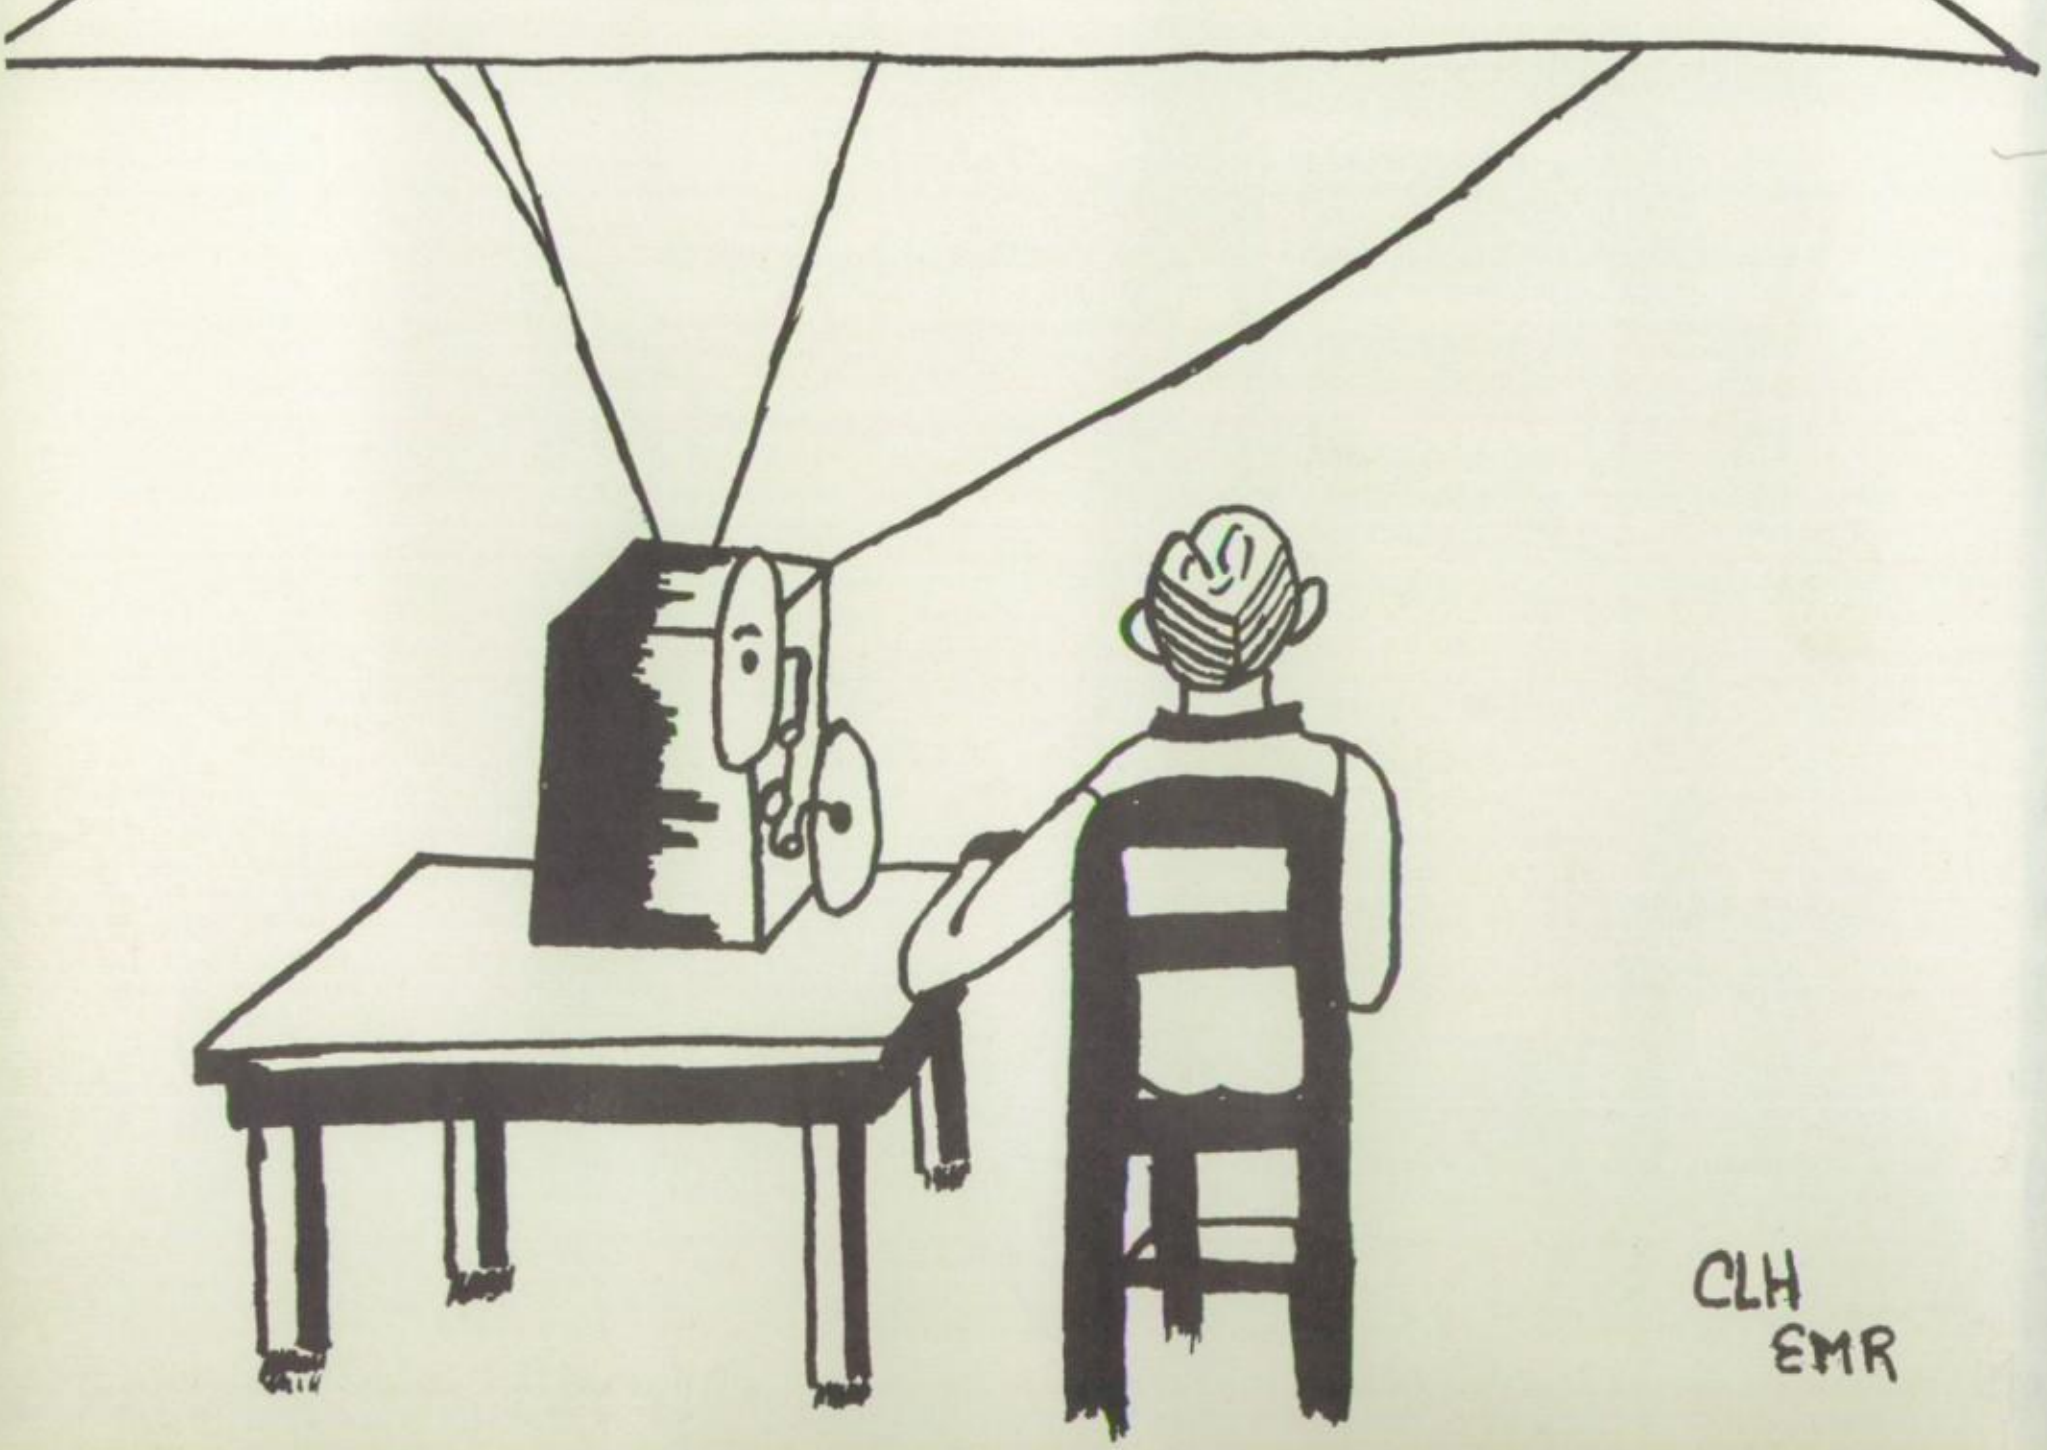
The Logan Log

Foreword:

It is by use of the camera that many Memorable occasions and experiences may be recaptured so vividly that they are almost relived. It is our wish, that through this book we may take you into our theater of memories, starring you as our cast of characters, your school as our setting and your school life, activities, and studies, our story. If in future years, the scenes in this book may serve to recall to you some of the spirit and knowledge acquired in this high school that wish will have been fulfilled.



MR. ALBERT L. BROWN

DEDICATION

We, the class of 1957, wish to dedicate this issue of the Logan Log to the class advisor of our Junior year, Mr. Albert L. Brown. Mr. Brown will long be remembered by each of us, not only for his patience, help, and never failing sense of humor as a class advisor and teacher, but also as a real friend to all who came in contact with him. He is now teaching elsewhere and is missed very much by everyone. We all join heartily in wishing him luck and success in his new position.
